INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF FINE BATIK SDN. BHD.

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **FINE BATIK SDN. BHD.**, which comprise the statement of financial position as at 31 December 2024, the statement of comprehensive income, statement of changes in equity and cash flow statement for the financial year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 11 to 21.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 December 2024 and of its financial performance and its cash flows for the financial year then ended in accordance with the Malaysian Private Entities Reporting Standards and the requirements of the Companies Act, 2016 in Malaysia.

Basis of Opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence and Other Ethical Responsibilities

We are independent of the Company in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

Information Other than the Financial Statements and Auditors' Report Thereon

The Directors of the Company are responsible for the other information. The other information comprises the Directors' Report but does not include the financial statements of the Company and our auditors' report thereon.

FINE BATIK SDN. BHD.
(Incorporated in Malaysia)

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF FINE BATIK SDN. BHD. – (Continued)

Our opinion on the financial statements of the Company does not cover the Directors' Report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Company, our responsibility is to read the Directors' Report and, in doing so, consider whether the Directors' Report is materially inconsistent with the financial statements of the Company or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the Directors' Report, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Statements

The Directors of the Company are responsible for the preparation of financial statements of the Company that give a true and fair view in accordance with Malaysian Private Entities Reporting Standards and the requirements of the Companies Act, 2016 in Malaysia. The Directors are also responsible for such internal control as the Directors determine is necessary to enable the preparation of financial statements of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Company, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

FINE BATIK SDN. BHD.
(Incorporated in Malaysia)

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF FINE BATIK SDN. BHD. – (Continued)

As part of an audit in accordance with approved standards on auditing in Malaysia, we exercise professional judgment and maintain professional scepticism throughout the audit. We also :-

- Identify and assess the risks of material misstatement of the financial statements of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Company, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In accordance with the requirements of the Companies Act, 2016 in Malaysia, we also report that in our opinion, the accounting and other records and the registers required by the Act to be kept by the Company have been properly kept in accordance with the provisions of the Act.

Other Matters

This report is made solely to the members of the Company, as a body, in accordance with Section 266 of the Companies Act, 2016 in Malaysia and for no other purposes. We do not assume responsibility to any other person for the content of this report.

NOTES TO THE FINANCIAL STATEMENTS - 31 DECEMBER 2024

1. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the Company have been prepared under the historical cost convention and comply with the provisions of the Companies Act, 2016 and the Malaysian Private Entities Reporting Standards; “MPERS” approved by the Malaysian Accounting Standards Board; “MASB”.

2. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company’s financial risk management policy seeks to ensure that adequate financial resources are available for the development of the Company’s business whilst managing its liquidity and credit risks. Financial risk management is carried out through risk reviews, internal control system and the Company operates within clearly defined guidelines that approved by the Board. It is the Company’s policy not to engage in speculative transactions. As and when the Company undertakes significant transactions with risk exposure, the Company evaluates its exposure and the necessity to hedge such exposure taking into consideration the availability and cost of such hedging instruments.

Financial Instruments such as trade receivables, trade and other payables arise directly from the Company’s operations. The main risks arising from financial instruments are liquidity and credit risks. The policies for controlling these risks, where applicable, are set out below :-

2.1 Liquidity Risk

The Company actively manages its debt maturity profile, operating cash flows and the availability of funding so as to ensure that all refinancing, repayment and funding needs are met. As part of its overall prudent liquidity management, the Company endeavors to maintain sufficient levels of cash or cash convertible investments to meet its working capital requirements.

2.2 Credit Risks

The Company controls its credit risk by the application of credit approvals, limits and monitoring procedures. Credit evaluations are performed on all customers requiring credit over a certain amount and strictly limiting the Company’s associations to business partners with high credit worthiness. Trade receivables are monitored on an ongoing basis. Generally, the Company does not require collateral in respect of its financial assets.

FINE BATIK SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS - 31 DECEMBER 2024 (Continued)

3. SIGNIFICANT ACCOUNTING POLICIES

3.1 Property, Plant and Equipments; and Depreciation

Property, plant and equipment are stated at cost less accumulated depreciation. Property, plant and equipment are depreciated over their estimated useful life using the straight line basis. The principal annual rates used are as follows :-

Computer & software	10%	Renovation	10%
Furniture and fittings	10%	Signboard	10%
Shop equipment	10%	Office premise	2%

Subsequent restoration costs, relating to an item of property, plant and equipment that have been recognized, are capitalized only if such costs improved the condition of the assets beyond its originally assessed standard of performance. All other subsequent expenditure are recognized as an expense in the year in which it is incurred.

3.2 Deferred Taxation

Deferred taxation is provided based on the liability method on material timing differences between accounting income and taxable income except where the timing differences are not expected to reverse in the foreseeable future.

No amount is taken of any debit balances arising on deferred taxation account.

3.3 Impairment of Assets

The carrying amount of the Company's assets and inventories are reviewed at each statement of financial position reporting date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated and an impairment loss is recognized whenever the recoverable amount is less than the carrying amount of the asset. The impairment loss is recognized in the statement of comprehensive income immediately. All reversals of impairment losses are recognized as income immediately in the statement of comprehensive income.

FINE BATIK SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS - 31 DECEMBER 2024 (Continued)

3.3 Impairment of Assets - Continued

The impairment loss is reversed if there has been a change in estimates used to determine the recoverable amount. An impairment loss is only reversed to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment had been recognized.

3.4 Inventories

Inventories are stated at the lower of costs using FIFO basis and net realizable value.

3.5 Financial Instruments

Financial instruments are recognized in the statement of financial position when the Company has become a party to the contractual provisions of the instrument. Financial instruments are classified as liabilities or equity in accordance with the substance of the contractual arrangement. Interests, dividends, gain and losses relating to a financial instrument classified as a liability, are reported as expense or income. Distributions to holders of financial instruments classified as equity are charged directly to equity. Financial instruments are offset when the Company has a legally enforceable right to offset and intends to settle either on a net basis or to realize the asset and settle the liability simultaneously.

3.5.1 Trade Receivables and Other Receivables

Trade Receivables and other receivables are carried at anticipated realizable values. Bad debts are written off when identified. An estimate is made for doubtful debts based on a review of all outstanding amounts as at the statement of financial position date.

3.5.2 Trade Payables and Other Payables

Trade payables and other payables are stated at cost, which is the fair value of the consideration to be paid in the future for goods and services rendered.

3.6 Cash and Cash Equivalents

Cash and cash equivalents as stated in the cash flow statement comprise cash and bank balances, against which outstanding bank overdrafts are deducted.
