The registered office of the Company is located at Wisma Goshen, 2nd Floor, 60 & 62 Jalan SS 22/21, Damansara Jaya, 47400 Petaling Jaya, Selangor Darul Ehsan.

The address of the principal place of business of the Company is located at 6 Jalan 7/18B, Taman Batu Permai, Batu 5, Off Jalan Ipoh, 51200 Kuala Lumpur.

The financial statements of the Company are presented in Ringgit Malaysia (RM).

The financial statements were authorised for issue by the Director in accordance with a resolution of the Director on 24 June 2025.

2. COMPLIANCE WITH FINANCIAL REPORTING STANDARDS AND THE COMPANIES ACT

The financial statements have been prepared in compliance with the Malaysian Private Entities Reporting Standard ("MPERS") issued by the Malaysian Accounting Standards Board ("MASB") and the provisions of the Malaysian Companies Act 2016.

3. BASIS OF PREPARATION

The financial statements of the Company have been prepared using cost and fair value bases.

4. SIGNIFICANT ACCOUNTING POLICIES

4.1 Contributed Share Capital

Ordinary shares issued that carry no put option and no mandatory contractual obligation:

- (i) to deliver cash or another financial asset; or
- (ii) to exchange financial assets or financial liabilities with another entity under conditions that are potentially unfavourable to the Company, are classified as equity instruments.

Transaction costs of an equity transaction are accounted for as a deduction from equity, net of any related income tax effect.

4.2 Financial Instruments

(a) Initial Recognition and Measurement

The Company recognises a financial asset or a financial liability in the statement of financial position when, and only when, it becomes a party to the contractual provisions of the instrument.

On initial recognition, all financial assets and financial liabilities are measured at fair value, which is generally the transaction price, plus transaction costs.

(b) Derecognition of Financial Instruments

A financial asset is derecognised when, and only when, the contractual rights to receive the cash flows from the financial asset expire, or when the Company transfers the contractual rights to receive cash flows of the financial asset, including circumstances when the Company acts only as a collecting agent of the transferee, and retains no significant risks and rewards of ownership of the financial asset or no continuing involvement in the control of the financial asset transferred.

A financial liability is derecognised when, and only when, it is legally extinguished, which is either when the obligation specified in the contract is discharged or cancelled or expired.

4. SIGNIFICANT ACCOUNTING POLICIES - Continued

(c) Subsequent Measurement of Financial Assets

For the purpose of subsequent measurement, the Company classifies financial assets at amortised cost. These financial assets are subject to review for impairment in accordance with Note 4.2(f).

(d) Subsequent Measurement of Financial Liabilities

After initial recognition, all financial liabilities are measured at amortised cost using the effective interest method.

(e) Recognition of Gains and Losses

A gain or loss is recognised in profit or loss only when the financial asset or financial liability is derecognised or impaired, and through the amortisation process of the instrument.

(f) Impairment and Uncollectibility of Financial Assets

At the end of each reporting period, the Company examines whether there is any objective evidence that a financial asset or a group of financial assets is impaired. Evidences of trigger loss events include:

- (i) significant difficulty of the issuer or obligor;
- (ii) a breach of contract, such as a default or delinquency in interest or principal payments;
- (iii) granting exceptional concession to a customer;
- (iv) it is probable that a customer will enter bankruptcy or other financial reorganisation;
- (v) the disappearance of an active market for that financial asset because of financial difficulties; or
- (vi) any observable market data indicating that there may be a measurable decrease in the estimated future cash flows from a group of financial assets.

SHIELD PLUS SDN. BHD.

4. SIGNIFICANT ACCOUNTING POLICIES - Continued

For short-term other receivable, where the effect of discounting is immaterial, impairment loss is tested for each individually significant receivable wherever there is any indication of impairment. Individually significant receivables for which no impairment loss is recognised are grouped together with all other receivables by classes based on credit risk characteristics and aged according to their past due periods. A collective allowance is estimated for a class group based on the Company's experience of loss ratio in each class, taking into consideration current market conditions.
