	<u>01/01/2024</u>			<u>31/12/2024</u>
Dr Ooi Boon Beng	70	-	-	70
Ung Ming Xian	30	-	-	30

OTHER STATUTORY INFORMATION ON THE FINANCIAL STATEMENTS

- (a) Before the statement of comprehensive income and statement of financial position were made out, the Directors took reasonable steps : -
- (i) to ascertain that action had been taken in relation to the writing off of bad debts and the making of provision for doubtful debts and satisfied themselves that all known bad debts had been written off and that adequate provision had been made for doubtful debts; and
 - (ii) to ensure that any current assets which were unlikely to be realized in the ordinary course of business including their values as shown in the accounting records of the Company have been written down to an amount which they might be expected so to realize.
- (b) At the date of this report, the Directors are not aware of any circumstances : -
- (i) which would render the amount written off for bad debts or the amount of the provision for doubtful debts in the financial statements of the Company inadequate to any substantial extent; and
 - (ii) which would render the values attributed to the current assets in the financial statements of the Company misleading or inappropriate.

BEZLIFE MARKETING SDN. BHD.
(Incorporated in Malaysia)

OTHER STATUTORY INFORMATION ON THE FINANCIAL STATEMENTS -
Continued

- (c) At the date of this report, the Directors are not aware of any circumstances, which have arisen which render adherence to the existing method of valuation of assets or liabilities of the Company misleading or inappropriate.
- (d) At the date of this report, the Directors are not aware of any circumstances not otherwise dealt with in this report or the financial statements, which would render any amount stated in the financial statements misleading.
- (e) At the date of the report, there does not exist : -
- (i) any charge on the assets of the Company which has arisen since the end of the financial year which secures the liability of any other person other than those disclosed in the financial statements; or
 - (ii) any contingent liability of the Company which has arisen since the end of the financial year other than those disclosed in the financial statements.
- (f) In the opinion of the Directors : -
- (i) no contingent or other liability has become enforceable or is likely to become enforceable within the period of twelve months after the end of the financial year which will or may substantially affect the ability of the Company to meet its obligations as and when they fall due; and
 - (ii) no item, transaction or event of a material and unusual nature has arisen in the interval between the end of the financial year and the date of this report which is likely to affect substantially the results of the operations of the Company for the financial period in which this report is made.

NUMBER OF EMPLOYEES AND REGISTERED OFFICE

The average numbers of employees during the financial year ended 31 December 2024 was 1 (2023 : Nil). The registered office address of the Company is located at A-3-3, Plaza Bukit

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF BEZLIFE
MARKETING SDN. BHD. - COMPANY NO.: 202201047805 (1493502-X)**

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **BEZLIFE MARKETING SDN. BHD.** which comprise the statement of financial position as at 31 December 2024, the statement of comprehensive income, statement of changes in equity and cash flow statement for the financial year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 11 to 22.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 December 2024 and of its financial performance and its cash flows for the financial year then ended in accordance with the Malaysian Private Entities Reporting Standards and the requirements of the Companies Act, 2016 in Malaysia.

Basis of Opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence and Other Ethical Responsibilities

We are independent of the Company in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

BEZLIFE MARKETING SDN. BHD.
(Incorporated in Malaysia)

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF BEZLIFE
MARKETING SDN. BHD. - COMPANY NO.: 202201047805 (1493502-X) - Continued**

Information Other than the Financial Statements and Auditors' Report Thereon

The Directors of the Company are responsible for the other information. The other information comprises the Directors' Report but does not include the financial statements of the Company and our auditors' report thereon.

Our opinion on the financial statements of the Company does not cover the Directors' Report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Company, our responsibility is to read the Directors' Report and, in doing so, consider whether the Directors' Report is materially inconsistent with the financial statements of the Company or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the Directors' Report, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and the Director for the Financial Statements

The management of the Company are responsible for the preparation of financial statements of the Company that give a true and fair view in accordance with Malaysian Private Entities Reporting Standards and the requirements of the Companies Act, 2016 in Malaysia. The Director are also responsible for such internal control as the Director determine is necessary to enable the preparation of financial statements of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Company, the Director are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia will always detect a material misstatement when it exists.

BEZLIFE MARKETING SDN. BHD.
(Incorporated in Malaysia)

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF BEZLIFE
MARKETING SDN. BHD. - COMPANY NO.: 202201047805 (1493502-X) - Continued**

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :-

- Identify and assess the risks of material misstatement of the financial statements of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Director.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Company, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

BEZLIFE MARKETING SDN. BHD.
(Incorporated in Malaysia)

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF BEZLIFE
MARKETING SDN. BHD. - COMPANY NO.: 202201047805 (1493502-X) - Continued**

We communicate with the Director regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In accordance with the requirements of the Companies Act, 2016 in Malaysia, we also report that in our opinion, the accounting and other records and the registers required by the Act to be kept by the Company have been properly kept in accordance with the provisions of the Act.

Other Matters

This report is made solely to the members of the Company, as a body, in accordance with Section 266 of the Companies Act, 2016 in Malaysia and for no other purposes. We do not assume responsibility to any other person for the content of this report.

BEZLIFE MARKETING SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 DECEMBER 2024

1. GENERAL INFORMATION

The Company was incorporated on 29 December 2022 is a private limited company, incorporated and domiciled in Malaysia. The principal activities of the Company are that to carry out business of marketing of porcupine bezoar related products and other health care related products.

The average numbers of employees during the financial year ended 31 December 2024 was 1 (2023: Nil). The registered office address of the Company is located at A-3-3, Plaza Bukit Jalil (Aurora Place), No. 1, Persiaran Jalil 1, Bandar Bukit Jalil, 57000 Kuala Lumpur, W.P. Kuala Lumpur. The principal place of business of the Company is located at C-11-4, 5 & 6, Level 11, Wisma Goshen, Bangsar Trade Centre (Plaza Pantai), No. 5, Jalan 4/84 A Off Jalan, Pantai Baharu, 59200 Kuala Lumpur, W.P. Kuala Lumpur.

The financial statements of the Company are presented in the functional currency, which is the currency of the primary economic environment in which the entity operates. The functional currency of the Company is Ringgit Malaysia as the sales and purchases are mainly denominated in Ringgit Malaysia and receipts from operations are usually retained in Ringgit Malaysia and funds from financing activities are generated in Ringgit Malaysia.

2. SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with the Malaysian Private Entities Reporting Standard ("MPERS") and the requirements of the Companies Act 2016. The financial statements is prepared under historical cost convention unless otherwise indicated in the summary of significant accounting policies set out below :-

2.1 Financial Instruments

a) Initial recognition and measurement

The Company recognises a financial asset or a financial liability (including derivative instruments) in the statement of financial position when, and only when, the Company becomes a party to the contractual provisions of the instrument. On initial recognition, all financial assets (including trade and other receivables) and financial liabilities (including trade and other payables) are measured at fair value, which is generally the transaction price, plus transaction costs if the financial asset or financial liability is not measured at fair value through profit or loss. For instruments measured at fair value through profit or loss, transaction costs are expensed to profit or loss when incurred.

BEZLIFE MARKETING SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 DECEMBER 2024 (Continued)

b) Subsequent measurement of financial assets

For the purpose of subsequent measurement, the Company classifies financial assets into two categories, namely : (i) financial assets at fair value through profit or loss, and (ii) financial assets at amortised cost.

After initial recognition, the Company measures investments in preference shares, ordinary shares and derivatives that are assets at their fair values by reference to the active market prices, if observable, or otherwise by a valuation technique, without any deduction for transaction costs it may incur on sale or other disposal.

Investments in debt instruments, whether quoted or unquoted, are subsequently measured at amortised cost using the effective interest method. Investments in unquoted equity instruments and whose fair value cannot be reliably measured are measured at cost.

c) Subsequent measurement of financial liabilities

After initial recognition, the Company measures all financial liabilities at amortised cost using the effective interest method, except for derivatives instruments that are liabilities, which are measured at fair value.

d) Derecognition of financial instruments

A financial asset is derecognised when, and only when, the contractual rights to receive the cash flows from the financial asset expire, or when the Company transfers the contractual rights to receive cash flows of the financial asset, including circumstances when the Company acts only as a collecting agent of the transferee, and retains no significant risks and rewards of ownership of the financial asset or no continuing involvement in the control of the financial asset transferred. A financial liability is derecognised when, and only when, it is legally extinguished, which is either when the obligation specified in the contract is discharged or cancelled or expires. A substantial modification of the terms of an existing financial liability is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

e) Fair value measurement of financial instruments

The fair value of a financial asset or a financial liability is determined by reference to the quoted market price in an active market, and in the absence of an observable market price, by a valuation technique as described in Note 2.4.

BEZLIFE MARKETING SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 DECEMBER 2024 (Continued)

f) Recognition of gains and losses

Fair value changes of financial assets and financial liabilities classified as at fair value through profit or loss are recognised in profit or loss when they arise.

For financial assets and financial liabilities carried at amortised, a gain or loss is recognised in profit or loss only when the financial asset or financial liability is derecognised, and through the amortisation process of the instrument.

g) Impairment of financial assets

An amount of impairment loss in respect of financial assets measured at amortised cost is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate, i.e., the effective rate computed at initial recognition. The carrying amount of the asset is reduced through an allowance account. The amount of loss is recognised in profit or loss.

An amount of impairment loss in respect of financial assets carried at cost is measured as the difference between the carrying amount of the financial asset and the best estimate of the amount (which might be zero) that the Company would receive for the asset if it were to be sold at the reporting date.

If in a subsequent period the amount of the impairment loss on financial assets decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed by adjusting the allowance account to the extent that the carrying amount of the financial asset does not exceed its amortised cost had the impairment not been recognised at the date the impairment is reversed. The amount of reversal is recognised in profit or loss.

2.2 Income Taxes

Tax expense is the aggregate amount of current and deferred taxes. Current and deferred taxes are recognised as income or expense in profit or loss except to the extent that the taxes relate to items recognised outside profit or loss, either in other comprehensive income or directly in equity.

BEZLIFE MARKETING SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 DECEMBER 2024 (Continued)

2.2 Income Taxes (continued)

Current tax is the expected tax payable on the taxable profit for the year and is calculated using tax rates enacted or substantively enacted at the end of the reporting period.

Deferred tax is recognised, using the liability method, on temporary differences at end of the reporting period between the carrying amounts of assets and liabilities in the financial statements and the amounts attributed to those assets and liabilities for taxation purposes.

Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for all deductible temporary differences and unabsorbed tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the assets can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and is reduced to the extent that it is no longer probable that the related tax benefits will be realised.

Tax rates enacted or substantively enacted at the end of the reporting period are used to determine deferred tax.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

2.3 Impairment of Non-Financial Assets

The carrying amounts of non-financial assets (other than deferred tax assets) are reviewed for impairment at the end of each reporting period to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated to determine the amount of impairment loss.

An ecognent loss is recognised if the carrying amount of an asset or a cash generating unit ("CGU") exceeds its recoverable amount. A CGU is the smallest identifiable group of assets that generates cash inflows that are largely independent of the cash inflows from other assets or group of assets.

The recoverable amount of an asset or CGU is the higher of its fair value less costs to sell and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that

BEZLIFE MARKETING SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 DECEMBER 2024 (Continued)

2.3 Impairment of Non-Financial Assets (continued)

The recoverable amount of an asset or CGU is the higher of its fair value less costs to sell and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

An impairment loss is recognized in profit or loss in the period in which it arises.

An impairment loss for an asset is reversed if, and only if, there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of amortization or depreciation) had no impairment loss been recognized for the asset in prior years. A reversal of impairment loss for an asset is recognized in profit or loss.

2.4 Fair Value Measurement

For assets, liabilities and equity instruments (whether financial or non-financial items) that require fair value measurement or disclosure, the Company establishes a fair value measurement hierarchy that gives the highest priority to quoted prices (unadjusted) in active markets for identical assets, liabilities or equity instruments and the lowest priority to unobservable inputs.

A fair value measurement of an item is estimated using a quoted price in an active market if that price is observable. The active market is the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market for the asset or liability; and for which the group can enter into a transaction for the asset or liability at the price in that market at the measurement date.

In the absence of an active market price, the fair value of an item is estimated by an established valuation technique using inputs from the marketplace that are observable for substantially the full term of the asset or liability.

In the absence of both market price and observable inputs, a fair value measurement of an item is estimated by an established valuation technique using unobservable inputs, including internally developed assumptions that are reasonable and supportable.

BEZLIFE MARKETING SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 DECEMBER 2024 (Continued)

2.5 Cash and Cash Equivalent

Cash and cash equivalents in the statement of cash flows comprise cash and bank balances, short-term bank deposits and other short-term, highly liquid investments that have a short maturity of three months or less from the date of acquisition, net of bank overdrafts.

2.6 Provisions

A provision is recognised when the Company has an obligation at the reporting date as a result of a past event, it is probable that a transfer of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The risks and uncertainties are taken into account in reaching the best estimate of a provision. When the effect of the time value of money is material, the amount recognised in respect of the provision is the present value of the expenditure expected to be required to settle the obligation.

2.7 Share Capital

Ordinary shares are classified as equity. Distributions to holders of ordinary shares are debited directly to equity and dividends declared at or before the end of the reporting period are recognized as liabilities. Costs directly attributable to equity transactions are accounted for as a deduction, net of tax, from equity.

3. USE OF ESTIMATES AND ACCOUNTING JUDGEMENTS

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the reporting date. However, uncertainties about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the assets or liability affected in the future.

BEZLIFE MARKETING SDN. BHD.
(Incorporated in Malaysia)**NOTES TO THE FINANCIAL STATEMENTS – 31 DECEMBER 2024 (Continued)****9. TAXATION**
